....

bin Abi Safra and his sons in their conquests in Khorasan, and record what I saw his eyes, and felt his heart recording accurate honest .

It goes without saying that the fanaticism of his people Azd impact in this role, they better do well when shown the capacity Mamdouhah leadership and political, military and moral, right down to claim the rights of his people, the yen deserve for their actions glorious achievements great higher grades but unfortunately turned them shift a serious - albeit temporarily - to ^{انفعاله}the extreme Qutaiba bin Muslim victories, good leadership, has fascinated by these victories, which led him to kill them, The impact negatively in the media role and stature and reputation, was the tragic end .

It was spelled tribal politically, which achieved the targets of his tribe to which intolerance, and loved them, and defended their rights.
